Approximately 25-35% of the spaces are reserved for new exhibitors. We value our loyal repeat exhibitors AND we are committed to offering shoppers new products. Acceptance one year does not guarantee acceptance the next year. First contract mailings and acceptance status notifications go out in early March and continue throughout the year. If a vendor sells their business, Mollie McGee's must be notified and the new owner must complete an application under his or her own name. Mollie McGee's will not "roll over" a business automatically. Also, no subletting of your space is allowed. If you must cancel, contact us and we will try to fill your space from our waiting list. If we can resell your space, a refund (less a cancellation fee) may be made after the show.

Our Commitment to You

We provide extensive advertising (newspapers, online, craft show publications and email reminders). We will provide flyers with your contract that can be reproduced & handed out at other shows you participate in. We strive to present a top quality, organized and well-attended show. We will continue to implement improvements to enhance our service to you and the shoppers. Having run successful shows for over 39 years, we have a substantial following. Between 4,000 and 5,000 shoppers per show is usual.
